

INFORMATION REQUEST TO UFO RESEARCH ORGANIZATIONS AND
PUBLICATIONS

The UFO Research of Finland was founded in 1973 and we have about 100 members. The organization is nationwide.

The UFO Research of Finland is at the moment in the process of writing a UFO related encyclopedia. The process will take several years. The encyclopedia will contain information about UFO organizations, publications, writers and major UFO sightings.

We would like to receive information about your organization/publication as well as other UFO related organizations/publications in your country. The information should be written on the enclosed form.

We would simply like to receive your information within one or two months.

SINCERELY YOURS
